

## 2017 Resource & Referral Directory Now Available

The 2017 Resource & Referral Directory is published by the Home Care & Hospice Alliance of Maine as a tool for hospital discharge planners to easily access critical home care and hospice information, including specific services and coverage areas of Alliance members delivering home care and hospice services across the State. Information about Maine's home care and hospice community is also included.

Copies can be purchased for \$15/each (includes shipping and handling). Simply use the form below to place your order.

Thank you.
